

HDRG “SHARK NOSE” GRILLE

HDRG Install Guide | HDRG Guía de instalación HDRG Installationsanleitung | Guide d'installation HDRG

Please refer to your bike's factory service manual for disassembly/installation information. You should retain all factory screws and hardware. The KICKER HDRG is compatible with 2015–Newer Harley Davidson Road Glide motorcycles. If you are doing a custom installation, be careful not to drill into wiring or vehicle mechanisms. You are solely responsible for securely mounting the grilles.

1. Remove the factory grilles from the inner fairing.

Pry up the factory grilles to remove them.

Remove the rubber gaskets and plastic clips from the factory grilles and install them to HDRG grilles. Carefully pry the the two ends of the plastic clips apart and pull up to release them.

2. Install the KICKER HDRG grilles in factory locations by pressing them into the fairing.

KICKER products are warranted against defects. Duration and terms of warranty depend on the laws in the country in which it was purchased. For details see your local KICKER Dealer or www.kicker.com/warranty.

Our goods come with guarantees that cannot be excluded under the **Australian Consumer Law**. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
