

## HDSG “BAT WING” GRILLE

### **HDSG Install Guide | HDSG Guía de instalación HDSG Installationsanleitung | Guide d'installation HDSG**

Please refer to your bike's factory service manual for disassembly/installation information. You should retain all factory screws and hardware. The KICKER HDSG is compatible with 2014–Newer Harley Davidson Electra Glide, Street Glide, and Ultra Glide motorcycles, and trike motorcycles with a bat-wing fairing. If you are doing a custom installation, be careful not to drill into wiring or vehicle mechanisms. You are solely responsible for securely mounting the grilles.

*Before you begin: Disconnect the cable from you battery's negative terminal.*

### **1. Remove your motorcycle's fairing and speaker cabinets according to the manufacturer's service manual.**

Disconnect the speaker wires and any cigarette lighter, CB, or antenna cables.

### **2. Remove the factory grilles from the outer fairing.**

Remove the screws securing the factory grille.

### **3. Install the KICKER HDSG grilles in the factory locations using the factory screws.**

Reconnect and re-install your bike's cabling, cabinets and fairing in the reverse order you disassembled them.

KICKER products are warranted against defects. Duration and terms of warranty depend on the laws in the country in which it was purchased. For details see your local KICKER Dealer or [www.kicker.com/warranty](http://www.kicker.com/warranty).

Our goods come with guarantees that cannot be excluded under the **Australian Consumer Law**. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
